

EUROPEAN WEEK FOR SAFETY AND HEALTH AT WORK 21-25 OCTOBER 2019

EU-OSHA¹ campaign workshop

“Masterclass in Workplace Risk Assessment”

22 October 2019, 13:00 – 17:00

ORION Conference Centre, Rexhep Luci street, No.2, Pristina, Kosovo

Aim of the workshop: to raise quality of workplace risk assessment provided to businesses in Kosovo. The main focus will be practical aspects of workplace risk assessment which will include group work and role-play for specific workplaces to identify and assess hazards as well as determine appropriate preventive measures. There will be no presentation during the seminar; and the participants must be ready to take active part in group works, share their experience and participate in the discussion. Participants will be encouraged to be actively involved in discussions as well as use their own methods used for workplace risk assessment.

Moderators:

Dr. Linda Matisane - EU OSH expert, former manager of external OSH service (Latvia);

Dr. Ivars Vanadzins - EU OSH expert, Director of Institute of Occupational Safety and Environmental Health (Latvia)
